TAG/DATE November 30, 2004

**International Patent Application No. PCT/EP2004/011979**  
**Applicant: Borealis Technology Oy**

To the International Patent Application PCT/EP2004/011979 as filed on  
October 22, 2004.

It is kindly requested that Mr.

**Detlef Wald**  
**Jan van Gentstraat 29**  
**BE-2000 Antwerpen**  
**Belgium**

be added to the list of inventors and registered as applicant for the United  
States.

As can be seen from the priority application EP 03 024 371.1 of the above  
PCT-application, Mr. Detlef Wald had been registered subsequently as  
inventor and has, merely due to a clerical error, not been cited in the PCT-  
request. Therefore, amendment of this obvious error and incorporation of Mr.  
Detlef Wald as inventor and applicant for the United States is again  
requested.
